## SUMMARY

Passionate Frontend Developer with a knack for creating intuitive and high-performing web applications.

I excel at motivating, mentoring & developing teams of less experienced developers. I have 6 years of experience and ambitious web design professional seeking an opportunity as a front-end developer. Detail-oriented professional with an associate degree in computer science and proven experience with a web development firm and Ecommerce Group.

## EXPERIENCE

### Senior Frontend Developer

[Ansar Gallery, A&H MARKET](#) 📅 03/2024 - Present 📍 Doha, Qatar  
Senior front-end web developer for ansargallery.com.

- I was hired to develop the ahmarket website, currently named as ansar gallery, a leading e-commerce platform in the GCC.
- I am only developer in Ansar Gallery who handles all of the frontend tasks.

### Frontend Developer

[Uconnect Technologies](#) 📅 02/2021 - 02/2024 📍 Gilgit, PK  
Worked on various web development projects

- Contributed to the development of 10+ websites
- Responsible for converting figma designs into real time responsive web applications using required technologies.

### Junior Frontend Developer

[Uconnect Technologies](#) 📅 2020 - 2021 📍 Gilgit, PK  
Assisted in the development of web applications

- Worked on multiple small web development projects
- Improved web skills by learnings and working on real time projects.
- Received 'Rising Star' award for outstanding performance.

### Technical Support Engineer

[StromFiber](#) 📅 2020 📍 Karachi, Pakistan  
Internet Service Provider

- For 6 months I worked as an IT Support Engineer for StromFiber Internet Services, a leading company providing GIPON internet to major cities in Pakistan.
